BRONZE, SILVER, and GOLD INTERPRETIVE PROGRAMMES

Duration: Bronze and Silver must not exceed 1 minute and 40 seconds

Gold must not exceed 2 minutes and 10 seconds

Vocal music is permitted.

The Interpretive programme will be judged only on the basis of the five Component Marks. The programme should consist of a variety of skating moves selected for their value to enhance the skater's interpretation of the music rather than for their technical difficulty. Skaters will be judged on their ability to interpret the music and develop a theme by using their skating skills.

The Interpretive programme must include:

- a) A minimum of one and a maximum of two single jumps
- b) A minimum of one and a maximum of two spins

No axel type jump or double jumps or combination jumps are permitted. Credit for jumps and spins are based solely on the ability of such movements to enhance the chosen theme and support the music. No credit will be given for their technical difficulty.

Falls are not subject to a deduction but may have a negative impact on the Program Components.

The programme must be developed through skating skill and quality rather than through non-skating actions such as sliding on one knee or excessive use of toe steps which should be used only to reflect the character of the programme and to underline the rhythm and nuances of the chosen music. The skater must not remain in one place for more than five (5) seconds.

Elements exceeding the maximum number will be judged as an illegal element and receive a 1.0 deduction. Elements lacking in number will receive a 1.0 deduction.

Costumes should be simple, tasteful and selected to enhance the performance by appropriately reflecting the character of the music and theme.

- Props may not be used in any part of the programme. Any item that is held in the hand or removed during the performance is considered a prop. A hat worn throughout the programme is not considered a prop unless intentionally removed.
- Objects on the ice, thrown to the audience, placed on the boards or on the Judges' tables are not permitted.
- Costumes that contain particles that may mar or leave anything on the ice surface (feathers, boas, excessive beading) are considered unsafe and are not permitted.
