President's Welcome

Welcome everyone!

We're so excited to have you here for this year's Allegro Championship! Whether you're lacing up your skates, cheering from the stands, helping behind the scenes, or judging from the best seat in the house—thank you for being part of this special weekend.

To all skaters: we know how much time and effort goes into getting out there on the ice. This is your moment—enjoy it, skate your heart out, and be proud of everything you've achieved just getting here. For those aiming to qualify for Nationals—good luck, we're cheering you on!

A huge thank you to our amazing spectators, volunteers, coaches, officials, and families. These events don't happen without the team effort, and we're so grateful for your energy, support, and dedication to our skating community. Wishing everyone a fun, safe, and inspiring competition. Let's make some great memories together!
