President's Welcome

On behalf of the North Island Ice Skating Sub Association, I'd like to warmly welcome you to our annual competition. It's wonderful that we're here to celebrate our skaters.

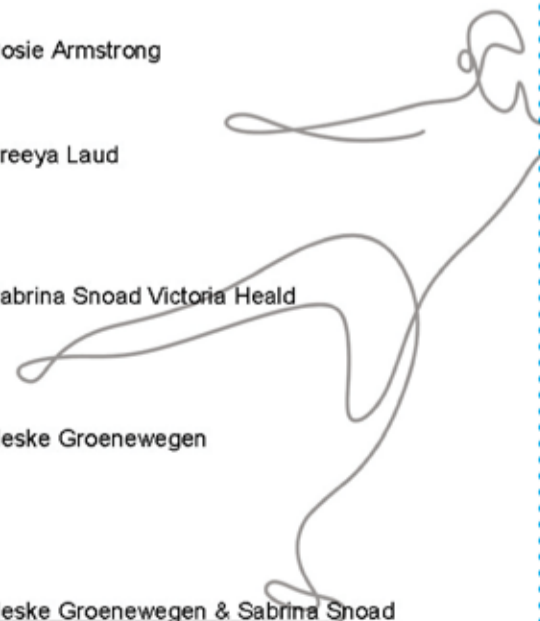

I understand that every skater here will have poured their heart and soul into learning new skills, improving their techniques, and developing their performance. And every family here has supported their skater, by getting them to trainings, to schedule coaching, and (not least) helping them to look and feel their best on competition day. Congratulations to you all – every skate is a team effort.

As you take in the magic of the performances this weekend, please look around and appreciate the effort that has gone into making this event happen.

I thank all the volunteers who are helping. Another big thankyou to the judges and officials, who commit to many weekends of sitting in a cold rink over the skating season. A huge thank you, also, to the NIIS-SA Committee, who juggle their lives to complete the multitude of tasks involved in organising this competition. I am in awe of you all.

Warm regards

Sally Garelja (President)
