

2026 South Island Figure Skating Championships

Notices for Clubs, Competitors and Coaches

Volunteers Many hands make light work when running a competition. We need people to help with a number of tasks including marshalling skaters, registration or merchandise desk, music playing or announcing, timing for the referee, runner for officials (filling hotties etc.). Clubs are asked to provide at least 2 volunteers and competitors are asked to consider helping out once they have competed. If you are able to help at all, please use the link below to complete the on-line form.

Schedule The schedule has been posted on the NZIFSA website

<https://www.nzifsa.org.nz/competitions/>.

Please check the NZIFSA website for any updates.

Music Skaters need to have submitted their music in mp3 format to music4siissa@gmail.com.

All competitors must bring a backup of their music on a labeled USB stick. This will not be collected but the competitor's coach must know where it is in the event there is an issue with the mp3 file.

If you have not already done so this year, you also need to complete your music details on the NZIFSAognito form

Unofficial Practices Unofficial Practice Sessions are being offered on Thursday 13 August from 4:00 – 7:15pm. Skaters may book a maximum of two x 30 minute sessions. Priority will be given to out of town skaters. You will not be able to play your music through the rink music system during these unofficial practices. For safety reasons, skaters must not skate with headphones during these sessions.

Please complete a separate on-line form for each skater / team.

Video Permits Only people who have a video permit may video skaters and the videoing is to be of their own skater/team only. If you wish to video other skaters/teams, then you need the written permission of the skaters concerned, or in the case of minors, their parents/guardians.

You can apply on-line up until 7pm Wednesday 12 August

https://www.cognitoforms.com/SouthIslandIceSkatingSubAssociation/_2026SISSAChampsVideoPermitApplication

We encourage you to talk to friends and family now that you might ask to video you and get them to complete the on-line application. We will issue a video permit sticker at the entry desk. There will be a video permit form available at the entry desk if you miss this deadline, but it is much easier for everyone involved if you could do the on-line form.

There will be a space set aside near the competition video camera operator for you to video from. This is a great location for videoing, but you must ensure you do not block the competition camera operators view.

Lights on tablets, phones or cameras must be switched off so competitors and officials are not distracted.
