The NZ team gained valuable competition experience with a number of skaters competing in their very first international competition. The skaters represented NZ very

well as can be seen by the results and were very good ambassadors for the sport at the Gala and the Figure Skating event of the 2011 100% Pure New Zealand Winter Games.

Gill Boyd, the NZ Winter Games Figure Skating manager and her team did a fantastic job with many great comments about the competition and organisation coming from the overseas competitors. The guest skaters, Canadian and Four Continents Bronze Medallists, Rudi Sweigers and Paige Lawrence, entertained the crowd and really enjoyed their first trip to NZ. They have headed off to Queenstown to train and to enjoy the adventure sports that are on offer there.

There is television coverage of the NZ Winter Games on Sky TV this week with skating featuring at 6:00 am, 12 noon and 9:00 pm. Please consult the television listings for details.

NZISA Special General Meeting

A Special General Meeting of the NZISA will be held in Christchurch on Sunday 21 August. This meeting is to have delegates from the affiliated Club vote on the proposed NZISA Constitution and to hold the elections for the Board, Operations Group and

Development Group. The SGM starts at 1:00 and goes to 3:00 pm. There will be a handover meeting between the current NZISA Council and the newly elected Board and Groups after the SGM so that the work of the Association can continue without delay.
